

Considering becoming an Ice Age Europe network member? Here are 10 great reasons to apply:

1. Enhance your recognition as a top European heritage site of the Ice Age.
2. Easily build your connections and professional networks across Europe.
3. Benefit from cross-marketing effects for the promotion of your site, research and activities.
4. Get exclusive behind the scenes of sites and institutions and be the first to learn what's new at locations across Europe.
5. Profit from informal learning & sharing within the network for your professional development.
6. Be at the forefront of and participate in new, innovative projects.
7. Profit from sponsors and partners looking for a Europe-wide impact.
8. Be part of a growing touristic network.
9. Benefit from highly effective work through a minimum of bureaucracy.
10. In short: Be part of a strong, growing brand.
